

WIELICZKA - THE UNDERGROUND CITY

 Date: May 23, 2025

 Duration: approx. 4-5 hours

We invite you on a fascinating journey to one of Poland's most precious monuments – the Wieliczka Salt Mine. This is a true underground city with intricately carved chambers, salt sculptures, and the majestic St. Kinga's Chapel. During the tour, we will discover the secrets of the mining world, walk through a labyrinth of corridors, and immerse ourselves in the unique atmosphere of this UNESCO-listed site. Get ready for an unforgettable experience 135 meters underground!
